

CP 1614

Docket No. 70301/56970

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re application: WIELAND, H.
SCHMIDT, A.

Examiner: Not Yet Assigned

Serial No. 10/049,968

Group: 1614

Filed: February 13, 2002

For: SUBSTANCES AND AGENTS FOR POSITIVELY
INFLUENCING COLLAGEN

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

CERTIFICATE OF MAILING

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to Assistant Commissioner for Patents, Washington, D.C. 20231 on 11/07/02.

By: Denise A. Rose
DENISE A. ROSE

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

In accordance with the provisions of 37 C.F.R. §1.56 and 1.97, Applicant herewith submits the publications and/or patents shown on the attached form PTO-1449, for consideration by the Examiner in connection with the examination of the above-identified patent application.

REMARKS

In accordance with the provisions of 37 C.F.R. §1.97, this statement is being filed (CHECK ONE):

RECEIVED
NOV 14 2002
TECH CENTER 1600/2900

mb

- X (1) within three (3) months of the filing date or
before the mailing date of the First Office Action on the merits; or
- (2) after the period defined in (1) but before
the mailing date of a Final Rejection or Notice of Allowance, and
the requisite Certification or fee under Rule 1.17(p), namely
\$240.00 is included herein; or
- (3) after the mailing date of a Final Rejection
or Notice of Allowance but before the payment of the Issue Fee,
and the requisite Certification, petition, and petition fee are
included herein.

It is respectfully requested that each of the documents shown on the attached
form PTO-1449 be made of record in this application.

Should any fee be associated with the submission of this paper, the
Commissioner is authorized to charge our Deposit Account No. 04-1105.

Date 6 Nov 62

Respectfully submitted,

George W. Neuner
